Dear Sir -

In reply to yours of Oct. 3rd.
requesting information regarding the derivation
of the word "Parma" would say - that the
first Postmaster of Parma gave it the
name in consequence of his birth-place
being "Parma" in the United States & I think
in New York State - The first Postmaster
was Edwin Mallory - He kept the Post
Office in the same house and on the
same farm in which it is now kept.

Respectfully Yours

Margaret Allison
