## OFFICE OF GEOGRAPHER

Ottawa, SEP 27 1905

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or that have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town, or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,  
*Geographer.*

Kindly write your reply on the attached sheet.

To ensure free transmission of your reply I enclose herewith an addressed envelope which will come free of postage.

*Spanish River Station  
Argoma Dist. Club*

Spanish Oct 1905

Spanish a small village on the Algoma Branch of Canadian Pacific Railway where the Spanish River empties through a wide delta into the North Channel of Lake Huron

Near here is the famous Little Detroit a narrow channel connecting Lake Huron with the North or Inside channel

The village and Post Office formerly Spanish River Station dates from 1854 until July 1905 when the name was officially changed and shortened to Spanish

It is evident the name is derived from Spanish River. I have tried hard and cannot learn with any degree of certainty any thing about the origin of the name of Spanish River. It is evident it was at one time a large Indian village with a Hudson Bay trading post

I will make further enquiries and if I learn any thing of historical importance I will advise you

Yours Very Truly  
G Hamilton
