

Mr White

Dear Sir there is nothing here of any Geographical account there is some small lakes which i dont think will be of any importance there is one marked on the map but there is no name to it the people call it Ducks lake this lake is Concession Macwalay lot 23 called Ducks lake an account of large numbers of Ducks frequenting it There is another small lake called Armstrongs lake as that is the name of the man who own the Land where it is situated also on the 6 Con Macwalay Lots 19-20 there is <sup>one</sup> on 4 lots 27-28 about  $\frac{3}{4}$  of a mile each called Bruce's lake but not marked on the map named after the family who owns the property
