Department of the Interior,

OFFICE OF GEOGRAPHER,

Ottawa, OCT 19 1905

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or who have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

(1.) Whether named after a village, town or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.

(2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.

(3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.

(4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,

Geographer.

Kindly write your reply on the attached sheet.

To ensure free transmission of your reply I enclose herewith an addressed envelope which will come free of postage.

*Stony Creek
Newtown C. Ont.*

Stoney Creek not Stony Creek,
according to P.S. Van Wagner Justice of the
Peace here for many years and still
alive, was named after a Mr
Stoney who lived here and kept a
store or trading post on the bank
of the Creek coming over the mountain
or more properly the Helderleigh Hills, which
Creek had stony bed over which to run
and which might quite correctly be called
Stony Creek.

So you see ~~the~~ village
maybe named either after the man
named Stoney or the Creek
which is considered stony.

I like the former idea and
trust that you will be pleased
to spell it Stoney Creek,
any other information will be gladly
given.

Your obedient servant
J. F. Felker
