OFFICE OF GEOGRAPHER

Ottawa,.....

DEAR SIR,

I wish to obtain information respecting the derivation of the place-names of Canada—of the names of the villages, towns, cities and of the natural features, such as rivers, lakes, capes, bays, mountains, etc.—and shall be much obliged if you will give me any information that you may possess or can procure, respecting the below-mentioned name and also respecting the names of any other features in the vicinity of your residence concerning which you have knowledge.

In many localities, the older generation is passing, or has passed away, and unless steps are taken to collect this information, it will, in many instances, be too late. In most communities there are persons who take an interest in things of this nature or that have been connected with the early settlement of the locality. If there are any such in your neighbourhood, will you kindly submit this to them.

Below I have indicated the lines along which I desire information and also the commoner derivatives of place-names in Canada :—

- (1.) Whether named after a village, town, or city, or natural feature in any other province or country ; if so, the name of province or country in which the original locality is situated.
- (2.) Whether named after a person ; if so, the person's name, occupation, spelling of name as rendered by the person and any details of interest respecting him (or her) such as (a) Whether alive or, if dead, approximate year of death ; (b) Whether at any time a resident of the locality and, if so, whether still living there.
- (3.) Whether named after a natural feature ; if so, any details respecting the origin of the name as applied to the feature and the geographical position of the latter.
- (4.) Whether the town, village or city ever had any other name or names ; if so, at what dates, approximately, and the origin of these obsolete names.

Any information bearing on the above will be deemed a courtesy.

Yours truly,

JAMES WHITE,
Geographer.

Kindly write your reply on the attached sheet.

To ensure free transmission of your reply I enclose herewith an addressed envelope which will come free of postage.

Treadwell, Ont. - formerly Brown's Wharf -
When a post office was established
at this place ^{after 30 or 40 years ago} the name of Treadwell was
given to it in honor of Charles Platt
Treadwell, of St. Orignal then Sheriff of
Prescott and Russell - Before that the
place was known as Brown's Wharf -
St. Orignal, 21/10/05. C. J. O. B.

ns. The only other place name that I
know of derived from the Treadwell Family
is a road in the seignior or Tp. of Longueuil,
Co. Prescott, which is named Hazard Street,
after Nathaniel Hazard Treadwell, father
of the Sheriff. That part of the Township
is now inhabited by French Canadians
exclusively and eventually the term
"Hazard Street" has been corrupted into
"Richance" - ~~no~~ no doubt through
the intermediate forms "Rue de
chance" - "Rue Chance" - "Richance"
