

Haglof. Sask. Apr 7th 1909

James White. Esq.
Chief Geographer
Ottawa

Dear Sir:

In reply to yours of 3/24.
I beg to say that the Post Office
is named after me, or we are
four brothers with the same name.
We sent in several other names
to the P.O. Department, but always
happened to send names of old officers.
So we had to send, Haglof

Yours truly,
Erik J. Haglof.
Postmaster.
