Mr James White
Chief Geographer

Dear Sir

Your inquiry of Mar 24th to hand. wishing to know if this postoffice is named after myself. It is partly. You see it was like this Mr Robt Bryden & myself were the first settlers in this township so when we were thinking on a name for the office. I suggested we take the first part of my name & the last part of Bryden & call it Milden. so that was accepted. Hoping this will be satisfactory to you

I remain

yours Truly
