Dear Sir,

In reply to your letter
of Feb. 23rd in re Vonda road,
when applying for the post-office
here the name was sent in as
"Vander" instead of "Vonda".
Vonda is the name of the
daughter of Dr. Wadman
supposed to be a great-american
~~writer~~ and who is greatly
interested in the north west.

When first located it was called
Buffers Lake after the lake
laying north of the village, when
this country was stocked out by de
Jucey Sewell, he had a row
with his cow who was quite a
kicker, and called the lake
Buffers Lake -
Yours Respt.
